Upon such termination, the Association shall be required to promptly purchase any such Associate Memberships which have been sold by the Developer from the then Owners at a price

equal to ten percent (10%) of the original purchase price of said Associate Membership from the Developer. Except as to the Developer, Associate Memberships may be owned only by natural persons and are not transferable other than between spouses and shall terminate in the event of the death of both spouses. Such Associate Memberships may also be terminated by the Developer for failure of the purchasing Owner to pay in full the purchase price therefor from the Developer or any other breach of such contract of purchase in accordance with the terms of such contract of purchase or by the mutual cancellation of such contract of purchase by the parties thereto, and by the Association for the failure to pay any assessments or other amounts owed by the Owner therefor to the Association or for any other breach by such Owner of this Declaration which failure to pay or breach shall not be cured within six (6) months after notice to such Owner by the Association. Notwithstanding anything hereinabove to the contrary, upon the termination of an Associate Membership, for any reason whatsoever other than the vote of

the Association Membership as hereinabove provided, the Developer shall have the right, but not the obligation, to create and sell an additional Associate Membership in the place thereof, without payment of any kind by the Developer therefor, so long as the total of the outstanding Associate Memberships does not exceed 1,000 and so long as such Associate Memberships have not been terminated by vote of the Association Membership as hereinabove provided.

(C) CooperShare Membership: A CooperShare Lot or Living Unit is subject to the same assessment obligations and voting rights as any other Lot or Living Unit, and Owners thereof are entitled to the same privileges of Membership in the Association as other Lot or Living Unit Owners except as hereinbelow provided. Every person or entity, other than the Developer, who is the record owner of a fee or undivided fee interest in or who is purchasing from the Developer a fee or undivided fee interest in an interval ownership use period in a CooperShare Lot or Living Unit, which CooperShare Lot or Living Unit is subject to being assessed by the Corporation, even though such assessment has not yet commenced, shall be a CooperShare Member. A CooperShare Member shall be entitled to all privileges of Membership as other Lot or Living Unit Owners except that such shall be limited to that period of time each year consistent with such CooperShare interval ownership period.

(D) Developer Membership: The Developer, its successors and assigns, shall be a Member of the Corporation so long as it shall be the record owner of a fee or undivided fee interest in any Lot, Living Unit or Associate Membership which is subject to being assessed by the Corporation, even though such assessments have not yet commenced, and shall further be a Member until it is paid in full for every such Lot, Living Unit or Associate Membership it shall sell. The Developer, its successors and assigns, shall be entitled to the privileges of a Member for each such Lot, Living Unit or Associate Membership and shall be further entitled to the issuance of Membership guest cards during such Membership to the extent it may deem necessary in its sole discretion to assist in the development and sale of Lots, Living Units and Associate Memberships.

Notwithstanding anything hereinabove to the contrary, these provisions for Membership are not extended to any person or entity other than the Developer who holds such interest merely as security for the performance of an obligation.

Section 2. Voting Rights. All those persons or entities as defined in Section 1 of this Article 111, with the exception of Developer, who hold the interest required for Membership by Section 1 of this Article III and have paid the Developer in full for the purchase price of the Lot, Living Unit or Associate Membership shall jointly be entitled to one (1) vote for such Lot, Living Unit or Associate Membership. When more than one person and/or entity holds such interest in a single Lot, Living

Unit or Associate Membership, the vote for such Lot, Living Unit or Associate Membership shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any single Lot, Living Unit or Associate Membership.

The Developer shall be entitled to two (2) votes for each Lot, Living Unit or Associate Membership in which it holds the interest required for membership by Section 1 of this Article III until such time as it shall cease to be a record owner thereof and shall have been paid in full therefor. The Developer shall continue to have the right to cast votes as aforesaid even though it may have contracted to sell the Lot, Living Unit or Associate Membership or may have same under a mortgage or deed of trust.

Notwithstanding anything hereinabove to the contrary, a CooperShare Lot or Living Unit shall entitle the Owners thereof to only one (1) vote where any Owner therein other than the Developer shall be entitled to participate in the voting rights, and, in such event, the Developer shall participate in such vote to the same extent pro rata as other Owners therein entitled to participate in such vote.

For purposes of determining the votes allowed herein when Living Units are counted, the Lot or Lots upon which such Living Units are situated shall not be counted.

Section 3. Easement of Enjoyment Limited. Unless expanded by the Association as provided in Section 4(F) of Article VIII of this Declaration, Members other than the Developer are limited in their easement of enjoyment of the Common Properties to one Household, with the exception of usage of the Private Streets. When more than one Household holds Membership in a single Lot, Living Unit or Associate Membership, the Household entitled to the easement of enjoyment shall be designated in accordance with and subject to the provisions and restrictions set forth therefor in the By-Laws of the Association.

ARTICLE IV

The Association and Owners other than the Developer shall acquire no right, title or interest in or to any poles, wires, cables, conduits, pipes, mains, lines or other equipment or facilities placed on, in, over or under the property which is subject to said privileges, rights and easements, except that the Association shall own all pipes, mains, lines and other equipment or facilities which pertain to the water system and the sewer system installed as Common Properties. All such easements, including those designated on any plat of The Project, not made available to the Association are and shall remain private easements and the sole and exclusive property of the Developer and its successors and assigns. Within these aforesaid easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels within the easements, or which may obstruct or retard the flow of water through drainage channels within the easements.

Section 2. Easements for Streets. Developer, for itself and its successors and assigns, hereby reserves a perpetual, alienable and releasable blanket easement, privilege and right, but not the obligation, in, upon, over and across the Common Properties, Limited Common Properties and the Shoreline Strip for purposes of constructing and maintaining such roads, streets or highways as it shall determine to be necessary or desirable in its sole discretion, including such cuts, grading, leveling, filling, draining, paving, bridges, culverts, ramps and any and all other actions or installations which it deems necessary or desirable for such roads, streets or highways to be sufficient for all purposes of transportation and travel. The width and location of the right of way for such roads, streets or highways shall be within the sole discretion of Developer, its successors and assigns, provided, however, that the Developer, its successors and assigns, will use their best efforts consistent with their purposes to lessen any damage or inconvenience to improvements which have theretofore been located upon the property. Developer, its successors and assigns, further reserves the unrestricted and sole right and power of designating such roads, streets or highways as public or private and of alienating and releasing the privileges, easements and rights reserved herein.

Section 3. Others. All other easements and reservations as reflected on or in the notes of the recorded subdivision plats of lands within The Project or hereafter granted of record by the Association, in its sole discretion, as to the Common Property, shall be binding upon

each Owner and his Lot or Living Unit to the same extent as if set forth herein.

The utilities referred to shall include, but not be limited to, natural, liquefied or manufactured gas systems, electrical systems, sanitation service, telephone systems, and antenna television transmission and distribution facilities.

In the event the Developer cannot negotiate contracts and agreements with local companies to furnish the utility services aforesaid, it may, but shall not be obligated, to organize a company or companies to furnish such utility services and shall have the right to enter into agreements therewith to furnish utility services, even though such companies so organized shall be wholly or partially owned by the Developer. Nothing herein contained shall be construed or interpreted as an obligation on the part of the Developer to provide the utilities reserved.

The Developer shall have the right, but not the obligation, to delegate to the Association the right to enter into contracts with utility companies to furnish certain or all of the utility services aforesaid. In the event of such delegation, the Association shall have the right to so contract and to expend funds of the Association therefor as a Common Expense in order to secure necessary or desirable utility services whether named hereinabove or not.

In the event the Developer shall decide it is not economically feasible to extend the water system or the sewer system to areas other than single family lots registered with the Interstate Land Sales Registration Division, Department of Housing and Urban

Section 2. Private Streets. It is contemplated that the streets shall be constructed by the Developer and that those streets which are not dedicated to the general public will be private streets and a part of the Common Properties. However, the Developer shall be the sole judge as to

when such streets, whether dedicated to the public or as Common Properties, shall be constructed and extended from time to time. The Developer shall also be the sole judge as to the extent the streets will be improved although it is anticipated that same will be constructed and paved in any subdivision of The Project within 24 months after completion of the utility systems in such subdivision. In the event the Developer shall decide it is not economically feasible to extend improved streets to areas other than single family lots registered with the Interstate Land Sales Registration Division, Department of Housing and Urban Development pursuant to the Interstate Land Sales Full Disclosure Act, it shall not be obligated to do so. Upon completion of construction, the cost of maintenance, capital improvements, operation, taxes and other expenses incident to the streets, regardless of whether dedicated to the public or as Common Properties, shall be paid from Assessments as herein provided.

The cost of maintenance, capital improvements, operation, taxes and other expenses incident to these Common Properties shall be the obligation of the Association and shall be paid from Assessments as herein provided and also from any fees for the use of the Common Properties. The Developer shall be the sole judge as to the time when such recreational facilities shall be constructed and if the Developer shall decide that it is not economically

The Developer shall construct as Limited Common Properties such streets, public or private, utility systems, recreational facilities and other facilities as it shall in its sole discretion decide. The cost of maintenance, capital improvements, operation, taxes and other expenses incident to those Limited Common Properties shall be the obligation of the owners of the Lots or Living Units entitled to the use and enjoyment of the particular Limited Common Properties. In order to perform such obligations, the Owners of the Lots and Living Units entitled to the use and enjoyment of the particular Limited Common Properties may organize a non**profit** corporation to be limited to membership to those Owners of Lots and Living Units entitled to the use and enjoyment of the particular Limited Common Properties and the non-profit corporation shall have all of the powers, including the power to levy assessments against particular Lots and Living Units in order to obtain funds, as the Association has which are referred to in this Declaration.

Section 2. Failure to Administer. Upon the failure of the owners of the property entitled to the use and enjoyment of the particular Limited Common Properties to provide for the maintenance, capital improvements, operation, taxes and other expenses incident to the Limited Common Properties, the Association may perform same and apportion the charge against the Lots and Living Units entitled to the benefit of the particular Limited Common Properties and same shall constitute a lien against such property subject only to the lien by reason of a first mortgage or deed of trust against such property.

(A) the right of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of constructing, maintaining and improving the Common Properties and in aid thereof to mortgage said property or use any leasehold interest therein as security therefor, provided the rights of such mortgagee in said properties shall be subordinate to the rights of the Owners hereunder until there shall be a default under said mortgage; and

(B) the right of the Association to take such steps as are reasonably necessary to protect the Common Properties against foreclosure; and

(C) the right of the Association to suspend the enjoyment rights of any Member other than the Developer as provided in this Declaration; and

(D) the right of the Association to charge reasonable admission and other fees for the use, service and enjoyment of any recreational facility or other improvements situated upon the Common Properties; and

(E) the right of the Association to make the golf course and other recreational facilities available by lease, or otherwise, subject to subparagraph (G) hereof, to another

Association, which shall be a non-profit corporation, with the right of the other Association to charge dues to Members and to permit persons who are not Members to become members of the other Association for a membership payment and also for payment of dues, and with the understanding the other -Association shall have the right to make rules and regulations which shall be enforceable as to Members; and

(F) except as to the Developer, Membership in the Association shall entitle only one Household to the benefit of the easement of enjoyment as to the Common Properties, provided, however, the Association may enlarge the limitation aforesaid by a majority vote of its Board of Directors and, further provided, this limitation shall not apply to Private Streets; and

(G) the right of the Developer, so long as any Lot, Living Unit or Associate Membership is being held by the Developer for sale in the ordinary course of business, to use such portions of the Common Properties as the Developer shall determine in its sole discretion for the purpose of aiding in such sales, including the right to freely determine its sales tour route through the Project even though traffic is increased in a specific area thereby and to use portions of the Common Properties for parking for prospective purchasers and such other parties as the Developer determines. Notwithstanding any provisions of this Declaration to the contrary, the Developer shall further have the right to use any Living Unit owned by it for Model Home purposes in the furtherance of its sales program. The foregoing rights shall include the right to display and erect signs, billboards and placards and to store, keep and exhibit same and to exhibit and distribute audio and visual promotional materials upon the Common Properties or in Model Homes; and

(H) the right of Members to the exclusive use of parking spaces as provided in Section 6 hereof; and

(I) the right of the Association to dedicate or transfer all or any part of the Common Properties to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Owners. No such dedication or transfer shall be effective unless an instrument is signed by Members entitled to cast a majority of all votes, agreeing to such dedication or transfer, and unless written notice of the proposed action is sent to every Member not less than thirty (30) days nor more than sixty (60) days in advance thereof.

Section 5. Guests and Delegation of Easement of Enjoyment. The Association shall, upon the request of an Owner, issue temporary guest cards for the use of the Common Properties of the Association by guests and invitees of such Owners, provided, however, such temporary guest cards shall be limited to periods not in excess of thirty (30) days and, except as to Developer guests, shall be subject to such other reasonable limitations and rules and regulations as provided therefor by the Association. Notwithstanding anything herein to the contrary, the easement of enjoyment of an Owner of a Living Unit may be transferred to a tenant or lessee who shall occupy such Living Unit of such Owner under a written lease agreement for a term of not less than six (6) months, provided (1) that a copy of such lease agreement is provided to the Association, (2) the Owner shall remain jointly and severally liable with the lessee for any breach of the duties and responsibilities of an Owner under this Declaration, (3) during the period of such lease delegation, the lessee shall have such easement of enjoyment in lieu of the Owner, and (4)

such delegation shall be otherwise subject to such reasonable rules and regulations as the Board of Directors of the Association shall from time to time determine.

Section 6. Parking Rights. Subject to reasonable rules and conditions, the Association shall maintain and designate at least one parking space conveniently located with respect to each Living Unit for which the Developer may request same and such parking space shall be for the exclusive use of Members residing therein, their families and guests. The use of such space by any other Member or person may be prohibited and/or enjoined by the Association or the Members entitled thereto. The right of the exclusive use of such parking space and to its maintenance and designation by the Association shall be appurtenant to and shall pass with title to each such Living Unit.

Section 7. Access to Private Streets. Each Owner shall have a right of ingress and egress and passage over all Private Streets which are Common Properties for himself, members of his Household, and his guests and invitees, subject to such limitations (except such limitations shall not apply to Developer) as the Association may impose from time to time as to guests and invitees. Such right in the Private Streets shall be appurtenant to and shall pass with the title and equity to every Lot, Living Unit and Associate Membership. All Private Streets shall further be subject to a right-of-way for the agents, employees and officers of Loudon County (and other counties when applicable), State of Tennessee, and any other governmental or quasi-governmental agency having jurisdiction in Tellico Village to permit the performance of their duties, including, but not limited to, school buses, mail vehicles, emergency vehicles and law enforcement vehicles. Section 3 of this ARTICLE VIII shall in nowise apply to the rights conferred by this Section.

ARTICLE IX

Property Rights In Limited Common Properties

Section 1. Owners' Easement of Enjoyment. Lands so designated from time to time by the Developer shall be devoted to the common use and enjoyment of the Owners of specifically designated Lots and Living Units to the exclusion of the common use and enjoyment of other Owners. The Owners of the specifically designated Lots or Living Units, subject to ARTICLE IV hereof, shall have a right and easement of enjoyment in and to the particular Limited Common Properties and such easement shall be appurtenant to and shall pass with every such specifically designated Lot or Living Unit.

Section 2. Title to Limited Common Properties. The Developer may retain the legal title to the Limited Common Properties until the Owners of Lots and Living Units entitled to the easement of enjoyment as to the particular Limited Common Properties shall have constructed the permanent improvements thereon and provided for maintenance of same. At such time, the Developer shall convey the title to the particular Limited Common Properties to such entity as the Owners shall direct, and on failure of the Owners to perform or direct the conveyance of the title as to the particular Limited Common Properties, then the Developer shall convey to the Association, and it shall perform as provided in Section 2 of ARTICLE VII hereof.

ARTICLE X

Covenant For Maintenance Assessments

Section 1. Creation of Lien. The Developer subject to the provisions hereinafter set forth, for each Lot, Living Unit and Associate Membership owned by it within the Project, hereby covenants and each Owner of a lot, Living Unit, or Associate Membership, other than the Developer, by acceptance of a deed or certificate therefor or by entering into a contract of purchase with the Developer therefor, whether or not it shall be so expressed in any such deed, certificate, contract of purchase or other conveyance, shall be deemed to covenant and agree to pay to the Association: (1) Annual Assessments, and (2) Special Assessments, such Assessments to be fixed, established and collected from time to time as hereinafter provided. The Annual and Special Assessments, together with such interest thereon and costs of collection thereof, including a reasonable attorneys fee, as hereinafter provided, shall be a continuing charge and lien upon the Lot, Living Unit and Associate Membership against which each such Assessment is made. Each such Assessment, together with such interest, costs and reasonable attorneys fees, shall also be the personal obligation of the Owners of such property at the time when the Assessment fell due. The personal obligation for delinquent Assessments shall not pass to successors in title unless expressly assumed by them.

Section 2. Purpose of Annual Assessments. The Annual Assessments levied hereunder by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the Owners and in particular for the construction, leasing, improvement and maintenance of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Properties and the improvements situated thereupon, including, but not limited to, the water system and sewer system, taxes and insurance on the Common Properties, maintenance, repair, replacement and additions thereto, and for the cost of labor, equipment, materials, management and supervision thereof. The limitation aforesaid shall not preclude the use of Assessments levied hereunder for maintenance of streets within the Project, even though same may have been dedicated to the public.

Section 3. Basis and Maximum Annual Assessment. Until January 1 of the year immediately following the date of this Declaration, the maximum Annual Assessment shall be Three Hundred Dollars (\$300.00) per Lot, Living Unit or Associate Membership, provided, however, such Annual Assessment as to Commercial Lots shall be one such assessment for each business establishment located thereon as determined by the existence of separate water meters therefor. From and after January 1 of the year immediately following the date of this Declaration, the Annual Assessment aforesaid may be increased each year above the Annual Assessment for the previous year by majority vote of the Board of Directors of the Association and without a vote of the Membership, provided, however, that such increase shall not in any one year exceed the greater of **five** percent (5%) or increases in the Consumer Price Index for the twelve (12) month period ending June 30 of the preceding year using the "All Urban Consumer, U.S. City Average" for "General Summary, All Items" as promulgated by the Bureau of Labor Statistics of the U.S. Department of Labor or, if such is not available, any other reliable governmental or other non-partisan publication evaluating similar information. Unless the Annual Assessments shall be increased as aforesaid, they shall remain at the rate prevailing for the previous year. From and after January 1 of the year immediately following the date of this Declaration, the Annual Assessment may be changed prospectively from the amounts

hereinabove set forth in any year, without limitation on the amount of such change, by a majority vote of Members voting in person or by proxy at a meeting duly called for this purpose. The Board of Directors of the Association may at any time after consideration of current income and expense and the future income requirements of the Association, within its discretion, **fix** the Annual Assessment at an amount less than the amounts aforesaid.

Section 4. Special Assessments. In addition to the Annual Assessments, the Association may levy in any assessment year a Special Assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of the water system, sewer system and streets within the Project, even though such streets may have been dedicated to the public, and also any desired repair, replacement or improvement of facilities of the Association and/or the construction, of any capital improvement upon the Common Properties, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of a majority of the votes of Members voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action of Members Authorized Under Sections 3 and 4. Written notice of any meeting of the Membership called for the purpose of taking any action authorized under Section 3 or 4 hereof shall be sent to all Members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast a majority of all votes shall constitute a quorum. If the required quorum is not present, another meeting may be called, subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than ninety (90) days following the preceding meeting.

Section 6. Date of Commencement of Assessments and Application thereof to Lots, Living Units and Associate Memberships. Annual Assessments shall commence and become due and payable as to each Lot, Living Unit and Associate Membership on the date fixed by the Board of Directors of the Association for commencement, provided, however, no Assessments shall be applicable to or payable with respect to any Lot, Living Unit or Associate Membership until the first day of the second month following the execution of a contract of sale by the Developer with respect to such Lot, Living Unit or Associate Membership and, further provided, no Assessment shall commence upon a Lot, Living Unit or Associate Membership where such contract of purchase is terminated by reason of a failure of down payment or recession thereof pursuant to any right granted by any public and/or governmental authority or agency. Each initial Annual Assessment on a Lot, Living Unit or Associate Membership shall be prorated according to the number of months remaining in that calendar year. Written notice of Assessments shall not be required. The due date of any Special Assessment shall be fixed in the resolution authorizing such Assessment and may also be payable monthly within the discretion of the Board of Directors. The Association shall, upon demand and for which a reasonable charge may be imposed, furnish a certificate signed by an officer of the Association setting forth whether the Assessments on a specified Lot, Living Unit or Associate Membership have been paid, which certificate shall be conclusive evidence of payment of any Assessments therein stated to have been paid.

Section 7. Non-Payment of Assessments. If any Assessments are not paid on the date when due, then such Assessments shall become delinquent and the Association shall have the right to declare the Assessments for the entire year due

and payable, together with such interest thereon and costs of collection thereof as hereinafter provided. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the property and both actions shall be cumulative and neither shall preclude the other. No Owner may waive or otherwise escape liability for the Assessments by nonuse of the Common Properties or abandonment.

If Assessments have become delinquent, such Assessments shall bind such property in the hands of the then Owner, his heirs, devisees, personal representatives and assigns. The personal obligation of the Owner to pay such Assessments shall remain his personal obligation and shall not pass to successors in title unless expressly assumed by them. Such delinquent Assessments shall bear interest from the date of delinquency at any lawful rate as determined from time to time by the Board of Directors of the Association or, if not so determined, the rate of 10% per annum. In the event a judgment is obtained, such judgment shall include interest on the Assessments as above provided and a reasonable attorney's fee to be fixed by the Court, together with the costs of the action.

Section 8. Subordination of the Lien to Mortgages. The lien of the Assessments provided for herein shall be subordinate to the lien of any first mortgage or deed of trust now or hereafter placed upon the properties subject to Assessment. While an ordinary sale or transfer shall not affect the Assessment lien, any sale or transfer which is subject to any first mortgage or deed of trust pursuant to a decree of foreclosure or proceeding in lieu of foreclosure shall extinguish the lien of such Assessments which became due prior to such sale or transfer. No such sale or transfer shall relieve such property from liability for any Assessments thereafter becoming due or from the subsequent lien thereof except with respect to any future such decree of foreclosure or proceeding in lieu of foreclosure.

Section 9. Exempt Property. The following property subject to the Declaration shall be exempt from the Assessments created herein: (a) all properties dedicated to and accepted by a local public authority; (b) the Common Properties; (c) the Limited Common Properties; (d) utilities; (e) utility easements and all other easements; (f) any Reserved Properties; and (g) any Lot, Living Unit or Associate Membership owned or held by the Developer prior to the initial sale or contract to sell by the Developer and excluding and exempting any such Lot, Living Unit or Associate Membership sold or contracted to be sold by the Developer which does not remain effective by reason of failure of down payment or rescission pursuant to any right granted or created by any public and/or governmental agency or authority.

Section 10. Delegation of Collection of Assessment. The Association may delegate the collection of the Assessments herein provided to the Developer, its successors and assigns to be accomplished at the expense of the Association.

Due to the common interest of the Developer and the Association, the failure on the part of an Owner pay an Assessment as herein provided shall be a reason or ground for which the Developer may rescind a contract of sale as to a Lot, Living Unit or Associate

Membership.

ARTICLE XI

Architectural Control Committee

Except as to original construction by the Developer, no building, fence, wall or other structure shall be commenced, erected or maintained upon the Project or the Shoreline Strip, nor shall any exterior addition, change or alteration be made thereto, until and unless the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design, location in relation to surrounding structures and topography and compliance with this Declaration and the Protective Covenants contained herein by the Architectural Control Committee of the Association. The Committee shall make such determinations by majority vote and the determination of the individual committee members shall be upon the exercise of the sole and absolute discretion of such member. Such Committee shall be composed of three (3) or more representatives appointed by the Board of Directors of the Association. In the event said Committee fails to approve or disapprove such design and location within forty-five (45) days after said plans and specifications have been properly submitted to it in accordance with reasonable rules and regulations which may be adopted thereby, approval will not be required and this provision will be deemed to have been fully complied with, except to the extent such construction is in violation of the Protective Covenants, Shoreline Strip Rules or Water Use Facilities Permit. The Architectural Control Committee shall have the right to set reasonable charges and fees within their discretion necessary to offset expenses incurred by them in connection with the performance of their duties hereunder and the failure to pay same shall be grounds for withholding approval hereunder. The Architectural Control Committee, through its members or duly authorized agents or employees, shall have the right, after reasonable notice to the owner, to enter upon any Lot, Living Unit or the Shoreline Strip area at reasonable hours for the purpose of the performance of its functions hereunder.

ARTICLE XII

Exterior Maintenance

Section 1. Failure to Maintain by Owner. In the event the Owner of any Lot or Living Unit shall fail to properly provide for exterior maintenance thereof, the Association may, but shall not be obligated to, provide such exterior maintenance as follows: cut, trim, care for and maintain trees, shrubs and grass, or repair, replace and care for walks, roofs, gutters, downspouts, exterior building surfaces, windows, fascia, doors, decks and other exterior improvements, including repainting or staining as needed.

Section 2. Assessment of Cost. The cost of such exterior maintenance shall be assessed by the Association against the Lot or Living Unit upon which such maintenance is done and shall be added to and become a part of the Annual Assessment to which such Lot or Living Unit is subject as a Personal Charge and, as a part of such Annual Assessment, it shall be a lien upon said Lot or Living Unit until paid, subject, however, to any prior lien by reason of a first mortgage or first deed of trust, and shall become due and

payable in all respects as provided herein for Assessments.

Section 3. Access at Reasonable Hours. For the purpose solely of performing the exterior maintenance authorized by this Article XII, the Association, through its duly authorized agents or employees, shall have the right, after reasonable notice to the Owner, to enter upon any Lot or exterior of any Living Unit at reasonable hours on any day except Sunday.

ARTICLE XIII

Owner Liability

Any violations of this Declaration, any Supplemental Declaration, the Association Articles of Incorporation, By-Laws and Rules and Regulations, or any laws, statutes, ordinances, or governmental authority rules and regulations by a family member, guest, lessee, licensee or invitee of any Owner other than the Developer shall be the responsibility of that Owner and all enforcement rights or penalties therefor shall be applicable to said Owner, except as specifically provided to the contrary in such documents or laws, statutes, ordinances, or governmental authority rules and regulations.

In the event an Owner violates or threatens to violate any of the provisions hereof, the Association shall have the right to proceed in any appropriate Court for an injunction to seek compliance. In lieu thereof, or in addition thereto, the Association shall have the right to levy a Personal Charge, enforceable in the same manner as Assessments, against the Owner and his Lot, Living Unit or Associate Membership for such sums as are necessary to enjoin any violation or to remove any unauthorized addition or alteration and to restore the affected property to good condition and repair.

ARTICLE XIV

Suspension of Voting Rights and Easement of Enjoyment

Section 1. Regular Suspension. Should an Owner other than the Developer become delinquent in the payment of any Assessment or Personal Charge or violate any other provision of this Declaration, and Supplemental Declaration, or the Association Articles of Incorporation, By-Laws or Rules and Regulations, the Association may deny such Owner enjoyment of the Common Properties until such time as any such delinquent Assessments or Personal Charges and any interest due thereon are paid and any such violations are ceased and any penalties therefor are satisfied.

Section 2. Penalty Suspension. The Association shall further have the right in its sole discretion to impose as a Penalty Suspension for any such violations the suspension of such Owners easement of enjoyment for a period not to exceed thirty (30) days for any one violation or occurrence. An Owner must be given such notice and opportunity as is reasonable under the circumstances to refute or explain in person or in writing the charges against him by the Association before any decision of the Association to impose any such Penalty Suspension is enforced.

Section 3. General. Any suspension of rights under these provisions shall not be used as a

basis for any reduction of Assessments or other charges payable by such Owner.

ARTICLE XV

Protective Covenants

Attached hereto as "Exhibit I" and made a part hereof as fully as though contained herein word for word are the Protective Covenants relative to The Project as well as any other lands which may be added as provided in Article 11 hereof. Every provision of this Declaration shall apply as fully as to the Protective Covenants as if same were set forth herein word for word.

ARTICLE XVI

Shoreline Strip Rules And Water Use Facilities Permit

Section 1. Ownership and Use of Shoreline Strip. Ownership of the Shoreline Strip remains in TVA, the operating entity of Tellico Reservoir, which attempts to administer the area in such manner as to effect a reasonable balance between the right of the general public to use the Tellico Reservoir and its shorelands and the right of use and peaceful enjoyment by the owners of abutting lands. TVA, TRDA and the Developer have heretofore entered into an agreement for implementation of the Shoreline Strip Rules and the Water Use Facilities Permit to establish operating guidelines for the management of the Shoreline Strip in order to provide access to Tellico Reservoir by Owners in The Project and to provide for the construction of water use facilities by abutting property owners consistent with the rights of use by the general public. All usages of the Shoreline Strip shall be subject to such Shoreline Strip Rules and Water Use Facilities Permit.

Section 2. Designation and Transfer of Water Use Facilities Permits. As development of The Project proceeds, the Developer will divide and designate the Shoreline Strip into Common Shoreline Strips for the mutual use and enjoyment of all Owners, Limited Common Shoreline Strips for the mutual use and enjoyment of the Owners of the Limited Common Properties, Joint Shoreline Strips for the mutual use and enjoyment of the several Owners adjacent thereto, Individual Shoreline Strips for the exclusive use and enjoyment of the Owner adjacent thereto, and as Commercial Shoreline Strips for the use and enjoyment of the Owners of the Commercial Lots. Such designations will be made upon the record plate of lands within The Project lying adjacent to such Shoreline Strip. The Developer shall also, at the time of such designation, assign its rights under said Water Use Facilities Permit to the Association for the Common Shoreline Strips and to the affected Owners for the Joint, Individual and Commercial Shoreline Strips, which rights shall thereafter be appurtenant to and shall pass with the title to such specifically designated Lots, Living Units or other Parcels of Land.

Section 3. Administration and Enforcement. TVA and TRDA have retained certain rights with regard to the administration and enforcement of the Shoreline Strip Rule and Water Use Facilities Permit as set forth therein, specifically including, but not limited to, the requirement of certain permits from TVA and other agencies for usage of the Shoreline Strip. Additionally, the Shoreline Strip Rules and the Water Use Facilities Permit require the Architectural Control Committee of the Association to administer the issuance of site

specific building permits under the provisions of this Declaration, the Shoreline Strip Rules and Water Use Facilities Permit for the construction, operation and maintenance of water use facilities within the Shoreline Strip. The Association further has the right of enforcement of the provisions of the Shoreline Strip Rules and the Water Use Facilities Permit as set out therein and in this Declaration.

Section 4. Association Jurisdiction. The rights, duties and obligations of the Association as set forth in the Shoreline Strip Rules and Water Use Facilities Permit are hereby subjected to the provisions of this Declaration, whether or not therein expressed. The Association and its Architectural Control Committee shall have all rights, duties and obligations with respect to such Shoreline Strip, Shoreline Strip Rules and the Water Use Facilities Permit as it has with respect to any other lands of The Project as set forth in this Declaration and shall have the right to proceed against any Owner in violation thereof in the same manner.

ARTICLE XVII

Miscellaneous Provisions

Section 1. Duration. The covenants and restrictions of this Declaration shall run with and bind the land and shall inure to the benefit of and be enforceable by the Association or the Owners subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of 26 years from the date this Declaration is recorded, after which time said covenants shall be automatically extended for successive periods of 10 years unless an instrument signed by the then Owners having two-thirds of the total number of qualified votes in the Association has been recorded, agreeing to change said covenants and restrictions in whole or in part, provided, however, that no such agreement to change shall be effective unless made and recorded three (3) years in advance of the effective date of such change and unless written notice of the proposed agreement is sent to every Owner at least 90 days in advance of any action taken.

Section 2. Invalidity. If any of the provisions of this Declaration, any Supplemental Declaration, the Articles of Incorporation or By-Laws of the Association, or any section, clause, phrase, word, or the application thereof, in any circumstance, is held invalid, the validity of the remainder of such instruments and the application of any such provision, action, sentence, clause, phrase or word, in other circumstances, shall not be affected thereby.

Section 3. Notices. Any notice required to be sent to any Member or Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as Member or Owner on the records of the Association at the time of such mailing.

Section 4. Genders and Plurals. Whenever the context so requires, use of any gender shall be deemed to include all genders, use of the singular shall include the plural, and use of the plural shall include the singular. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development and operation of The Project.

Section 5. Captions. The captions used in this Declaration are inserted solely as a matter of convenience and shall not be relied upon or used in construing the effect or meaning of any of the text.

Section 6. Enforcement. Enforcement of this Declaration shall be by any proceeding at law or in equity against any person or entity violating or attempting to violate any covenant, condition or restriction herein, either to restrain violation or to recover damages against the party in violation, and/or against the land to enforce any lien created by these covenants. Failure by the Association, the Developer or any Owner to enforce any covenant, condition or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 7. Assignment, Transfer or Conveyance by Developer. The Developer reserves and shall have the right to assign, transfer or convey any reservations, rights or obligations of the Developer hereunder, and upon such assignment, transfer or conveyance the Developer shall immediately be released and discharged as to any and all liability incident to such reservations, right or obligation.

Section 8. Applicability. All provisions set forth herein shall extend to and be binding on the respective legal representatives, heirs, successors and assigns of all parties mentioned herein where

consistent with the context hereof. IN WITNESS WHEREOF, the Developer, joined by the Association for purposes of indicating its agreement hereto, have caused this instrument to be executed by their duly authorized corporate **officers** and their seals affixed as of this 16th day of December p 19 85

ATTEST:

PROTECTIVE COVENANTS

EXHIBIT I TO THE DECLARATION

1. Application. These Protective Covenants shall apply to all of the Existing Properties. Same shall also apply to additions to Existing Properties unless the Developer shall specifically except from these Protective Covenants such additions or a portion thereof in the Supplemental Declaration by which the Developer subjects such additions to this Declaration. In the event of conflict between these Protective Covenants and the Declaration, the Declaration shall prevail.

2. Architectural Control Committee. When the Architectural Control Committee, hereinafter referred to as the A.C.C., is mentioned in these Protective Covenants, it shall mean the Architectural Control Committee of the Association as more particularly described in Article XI of the Declaration. Except as to original construction by the Developer, A.C.C. permits shall be required for any construction activity within The Project as set forth in Article XI of the Declaration and within the Shoreline Strip as set forth in

Article XVI of the Declaration. The A.C.C. shall further have the authority, in connection with the issuance of such permits, to adopt such rules, regulations and standards and to adopt such standard building or other codes (or any portion thereof) as it shall deem appropriate or necessary for the proper performance of its function and duties. The Owner, contractor and builder will subject all permitted activities to such inspections as required by the A.C.C. to determine compliance with such A.C.C. permits, the Declaration, these Protective Covenants, the Shoreline Strip Rules and the Water Use Facilities Permit. In the event of any conflict between the provisions of the Declaration, these Protective Covenants and those of the A.C.C. rules, regulations and standards, same shall prevail in that order. In the event of any conflict between the provisions of the Shoreline Strip Rules and the Water Use Facilities Permit with the A.C.C. rules, regulations and standards, the Shoreline Strip Rules and Water Use Facilities Permit shall prevail. All actions of the A.C.C. shall be subject to review by the Board of Directors of the Association and appeals may be taken thereto under such terms and conditions as such Board of Directors may set from time to time.

3. Amendment, Rescission or Additions. The Developer, its successors and assigns, may amend, rescind or add to the Protective Covenants from time to time, provided, however, unless the Lots are specifically exempted from the Protective Covenants by the Declaration or a Supplemental Declaration at the time the Lots are subjected to the plan of the Declaration, such amendment, rescission or additions shall not make the Protective Covenants as to those Lots zoned as residential less restrictive for construction of residential buildings than as provided in the standards herein.

4. Zoning. The notes upon the recorded subdivision plats shall control as to use of the lots reflected thereon, the residential structure types (Single Family Detached, Single Family Attached, Multi-family Structure and Interval Ownership) which shall be permitted upon Residential Lots, and the minimum square footage of each Single Family Detached Structure, Single Family Attached Structure or Living Unit in a Multi-family structure.

5. Resubdivision. No Lot shall be resubdivided except upon written approval of the A.C.C. In the event more Lots are created by any such A.C.C. approved resubdivision than originally existed, Association Assessments shall apply to such newly created Lots as if such had been contained upon the original plat of such lands. The A.C.C. may permit the construction of a single residence upon two or more Lots by waiver of the 71/2foot utility easement and side yard setback on the appropriate interior lot lines, provided, however, such action by the A.C.C. shall not be construed as a waiver of other matters affecting such Lots, including, but not limited to, the obligation to pay Assessments on each such Lot.

6. Temporary Structures. No structure of a temporary character, trailer, tent, shack, garage, or other out-building shall be used on any Lot at any time as a residence, either temporarily or permanently.

7. Setbacks. No building shall be placed closer to the front or back lot lines than the setback lines shown therefor on a recorded subdivision plat, provided, however, where such requirements create an undue hardship upon the Owner, such setbacks may be modified by the A.C.C. to the extent necessary to prevent the hardship.

8. Side Yards. Where Lots are zoned as a Residential Lot or CooperShare Lot, the following shall apply:

(a) A Single Family Detached Structure or any building incident thereto shall not be closer to a side lot line than 7 1/2 feet, which restrictions may be extended in excess of 7 1/2 feet when necessary for drainage, utility, or screening purposes and the extent thereof is reflected on the recorded subdivision plat, provided, however, where such restrictions create an undue hardship upon the Owner, such restrictions may be modified by the A.C.C. to the extent necessary to prevent the hardship.

(b) A Single Family Attached Structure shall not be required to have a side yard and a common or party wall may be constructed upon the dividing lines between Lots so that the wall may be partially upon one Lot and partially upon the other, or said common wall may be entirely upon one of the two Lots involved.

(c) Multi-family structures shall not be required to have a side yard and may be constructed up to or upon the dividing lines between Lots where approved by the A.C.C.

The A.C.C. shall decide all questions relative to location of structures upon Commercial Lots.

9. Party Walls. The following provisions shall apply to party walls within The Project:

(a) General Rules of Law to Apply. Each wall which is built as a part of the original construction of a structure and placed on the dividing line between Lots shall constitute a Party Wall. To the extent not inconsistent with the provisions of this section, general rules of law regarding Party Walls and of liability for property damage due to negligent or willful acts or omissions shall apply thereto.

(b) Repair and Maintenance. The cost of reasonable repair and maintenance of a Party Wall shall be shared by the Owners who make use of the wall in proportion to such use.

(c) Destruction by Fire or Other Casualty. If a Party Wall is destroyed or damaged by **fire** or other casualty, any Owner who has used the wall may restore it and if other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use, without prejudice, however, to the right of any such Owner to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

(d) Weatherproofing. Notwithstanding any other provision of this section, an Owner who by his negligent or willful act causes the Party Wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

(e) Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors in title.

(f) Arbitration. In the event of any dispute arising concerning a Party Wall, or under the provisions of this section, each party shall choose one arbitrator, and such arbitrators, as

chosen, shall choose one additional arbitrator, and the decision of a majority of all the arbitrators shall be final and conclusive of the question involved.

10. Land Near Golf Courses and Recreation Areas. No structure shall be placed nor shall any material or refuse be placed or stored upon any Lot or other Parcel of Land within 20 feet of the property line of any Common Property used as a golf course or permanent recreation area, or as otherwise shown on a record plat of lands with the Project.

11. Assurance of Completion of Buildings.
